Sir:

Applicant respectfully submits the Notice of Incomplete Reply dated March 28, 2002, was erroneously issued and hereby requests the Notice be withdrawn. As discussed below, Applicant traverses the requirements of the Notice for payment of additional fees and submission of substitute drawings.

A Notice to A Notice to File Missing Parts in this application was mailed on December 27, 2001. A Response thereto was submitted by Applicant on February 27, 2002. Applicant's Response included an executed declaration, submission of formal

drawings, and payment of the filing fees. The Response did not, however, include payment of the surcharge for late filing of the Declaration. On March 1, 2002, payment of the surcharge for late filing of the Declaration was submitted, along with a Petition extending the time to respond to the Notice through March 27, 2002.

On March 28, 2002, a Notice of Incomplete Reply to the Notice to File Missing Parts was mailed. As this Notice requires the submission of substitute drawings and the payment of additional fees, the Notice does not appear to take into account Applicant's previous submission of formal drawings nor Applicant's Petition for a one month extension and payment of the surcharge for late filing of the Declaration. Accordingly, Applicant submits the Notice was erroneously issued and should be withdrawn.

Applicant specifically traverses the requirement of the Notice to submit substitute drawings. Attached hereto is a copy of Applicant's submission of formal drawings on February 27, 2002, along with a copy of the stamped post-card receipt.

Applicant also specifically traverses the requirement to submit an additional claim fee of \$72 for 17 total claims over 20. Attached hereto is a copy of Applicant's Petition for a one month extension of time to respond to the Notice to File Missing Parts submitted on March 1, 2002, along with a copy of the stamped post-card receipt. This Petition authorized the payment of the petition fee and surcharge for late filing of the Declaration by credit card. (A copy of the Credit Card Payment Form is not included). Furthermore, after receiving the Notice of Incomplete Reply, conversations with Preston Wallace in the Initial Patent Examination Division revealed (1) the Office has record of \$718 owed for the filing of this application and (2) Applicant has paid \$725 resulting in

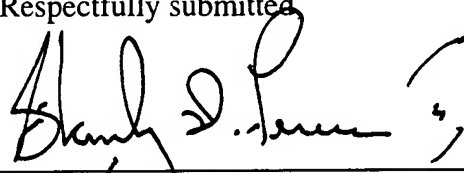

an overpayment of \$7 by Applicant. Applicant is not requesting a refund of overpayment at this time.

As required, a copy of the Notice of Incomplete Reply is attached.

It is submitted that the application is now complete and in form for examination.

Accordingly, such examination and prompt allowance are earnestly solicited.

Respectfully submitted
